'Buy local' shopping service

A taster of the delicious food available in the Marches; this shopping list has been compiled to provide you with the option of a well-stocked kitchen on your arrival at Ecocabin, whatever the time of year.

You will find tea, coffee, sugar, olive oil, balsamic vinegar, pepper and salt in the cupboard and there is also a small honesty shop within Ecocabin that stocks tins, jars, cereals and dried ingredients.

Please do ask if there is anything you would like that is not on the list or you have specific dietary requirements.
